**Return to Title IV (R2T4)

Students who do not complete more than 60% of each Semester (half of the academic year), must have a process called "Return to Title IV Funds" run to determine how much of their Title IV Federal financial aid (Unsubsidized and/or Graduate PLUS Loans) has been earned. The percentage aid that was not earned must be returned to the Title IV Federal Aid Program (s) and the student is responsible for the returned amount.
